

## Executive Summary

ACCG is an SBA certified woman owned small business providing Intelligent Automation and Data Analytics consulting services, dedicated to empowering government and public sector organizations. We leverage the power of cutting-edge technologies like Intelligent Document Processing (IDP), Robotic Process Automation (RPA), Artificial Intelligence (AI), Machine Learning (ML), and Data Analytics to deliver tangible results:

- **Enhanced Citizen Experience:** Streamline interactions and improve service delivery for a more positive and efficient citizen experience.
- **Boosted Operational Efficiency:** Automate repetitive tasks, optimize workflows, and free up staff for higher-value activities.
- **Reduced Costs:** Eliminate redundancies and streamline processes to cut administrative expenses and allocate resources more effectively.

## Past Performance

- **Leading digital transformation at Oracle:** Collaborated with a major health insurance company on their journey towards cloud-based solutions and improved efficiency. *(details upon request)*
- **Managing cloud modernization at GE Digital:** Spearheaded the cloud modernization project for the second largest utility company in the US, focusing on Grid Modernization and decarbonization efforts. *(details upon request)*
